# SIMIN TRADES

Simin Trade is a well-known and popular brand in the production of cleaning products. With years of experience and the most modern technologies, this company has been able to bring high-quality and high-performance products to the market. The brand's products include dishwashing liquid, handwashing liquid, laundry detergent, and various other cleaning agents, all produced with special and precise formulations. One of the aspects that distinguish Simin Trade from its competitors is its commitment to high-quality standards and environmental hygiene. By choosing this brand's products, you can be assured that alongside high efficiency and quality, you have also reduced your costs.

## ☀️ **Welcome to the world of cleanliness and freshness**

In today's fast-paced world, cleanliness and hygiene are of special importance. We proudly offer a collection of the best and most effective cleaning products that not only meet your needs but also provide you with a delightful and unique cleaning experience.

Since cleaning products are among the essential items in daily household shopping, the importance of choosing quality and suitable products is evident. By choosing reliable and trustworthy cleaning products, you can ensure the cleanliness, hygiene, and health of your family and enjoy a healthier life.

## **Laundry detergents with advanced formulations and pleasant fragrances**

Our laundry detergents ensure that your clothes are always clean, soft, and fragrant. From everyday clothing to delicate fabrics, we have a solution for every need.

### **Machine Wash Laundry Powder**

- Suitable for use in automatic washing machines
- Contains more active ingredients than hand wash powders
- Contains special enzymes

### **Hand Wash Laundry Powder**

- Suitable for hand washing clothes
- Suitable for use in semi-automatic washing machines
- Suitable for washing heavy bed sheets and rugs

## Washing Capsules and Gel

- Suitable for use in washing machines
